

**Become a Social Current Impact Partner** and unlock access to a range of tools, resources, discounts, and networking and learning opportunities. Equip your staff with the resources needed to support continued growth, development, and create a lasting impact within your organization and communities. Pricing is offered on a sliding scale based on revenue.

## Knowledge and Insights Center

Access to our virtual Knowledge and Insights Center (KIC) allows Impact Partners to search and browse thousands of digital business and research journals, reports, and book summaries. Through the KIC, Impact Partners have access to:

- A virtual resource library that includes tools and templates curated by professional librarians and other subject matter experts, plus select network-contributed policies and procedures
- An annual sector trends compilation with quarterly spotlights on emerging market conditions, operational scenarios, and opportunities to strengthen impact
- Select live and on-demand webinars and self-paced courses that provide learning and professional development for a variety of organizational roles and service arrays

## Ask-A-Librarian

Impact Partners have unique access to the knowledge and expertise of our professional librarians. Impact Partners receive five hours of research and reference request support each year, with additional hours available at a discounted rate.

## Impact Connects

Social Current's subject matter experts convene Impact Connects with guest presenters and fellow network organizations to facilitate virtual learning and networking focused on each of our Impact Areas:

- Brain Science and Trauma-Informed Approaches
- Child, Family, and Community Well-Being
- COA Accreditation
- Government Affairs and Advocacy
- Leadership and Organizational Development

These are unique opportunities for discussing current issues, challenges, and solutions with peers and leaders in core areas.

## Social Current Trainings

Our subject matter experts offer informative and engaging trainings around each of our Impact Areas. Impact Partners receive five complimentary registrations to each of these trainings:

- Workforce Well-Being and Resilience During Times of Change
- Essentials of Leadership Development – Connection and Belonging
- Kinship Training
- Logic Model Training

Additionally, Social Current is offering a free series of public policy and advocacy trainings.

## Special Impact Partner Rates

Impact Partners receive discounted rates on conferences, virtual learning series and trainings, and live and on-demand webinars including but not limited to:

- \$1,000 discount for Executive Leadership Institute (applicable for one person)
- Discount for in-person Advocacy Amplified Training and Hill Day
- Discount for annual in-person SPARK conference
- Discount for annual in-person Convening for Chief Executives

Additional discounts on Social Current solutions:

- 10% discount on consulting
- 10% discount on COA accreditation and re-accreditation fees (if not a member of one of Social Current's Network Champion organizations)

## Risk Management Support and Resources

As organizations in the Social Current network, Impact Partners receive complimentary membership to the Nonprofit Risk Management Center. This includes unlimited risk management support via phone or email, live and on-demand webinars, and discounts on many other templates and tools.
